She contradicted herself a lot.
Music is a concept that only of thinking
There is no such thing as a free lunch
No such thing as a free lunch
She did not teach, she read the book
I am not a student, I am a student
Most of the things she said were
things
She also played favorites

Susan Somers-Willett is very friendly + knowledgeable of poetry. She gives us good examples/exercises and encourages us to not be shy in workshopping. I feel very comfortable in this class + would recommend her to other students. She is very pleasant and has a relaxed atmosphere in class.

I think an atmosphere of professionalism would be useful during workshops. The need to avoid snide remarks is key in getting the students better involved and keeping them interested in their own work.

I enjoy the working aspect of this class. Just wish there was more reading time given so the class can feed back and students from their thinking.

I feel she is a very successful teacher for this course. It challenges me to think outside my comfort range. I'm hard of hearing but ~~it~~ I don't have a real problem in this class hearing or understanding

The opportunity to write so much, and the chance to workshop has helped me grow as a writer.

My only concern is, even though it is a small class, < 15, it's difficult for me, as an adult student attending at night, to read + comment on 15 poems in addition to writing my own and editing all previous poems.
