Professor Somers Willet is one of the quatest professors I've had @ Mont. Sie was extremely knowledgeable about Poetry and was there When I needed to speak with her. She went out of her way to make this Class interesting. I felt like I wrote my best 874f in this class.

I just hope it's good b/c 1 keep up with the assignments and make sure to Comment on others poems-but I am not sure of the quality! What I am being graded on. Otherwise, Keep doing what you're doing this class is awe some.

Dr. Somers-willett is one of my favorite instructors I have had throughout my College Correct. I have attended community college, Temple U and most and until now have not been so introgued to learn the mechanics of postry. She is also very critical, but supported with her suggestions.
